EXPERIENCE - 3.4 YEARS

UI UX Designer | Startoon Labs | 1 Year 5 Months

April 2023 - August 2024

- Rolled out premium features and specialized tests, driving new revenue streams, client acquisition, and expanded user engagement.
- Enhanced product differentiation by launching exclusive gamification themes, encouraging subscription upgrades and long-term retention.
- Led user research through field visits and interviews, creating detailed personas that informed design decisions and strengthened product strategy.

UI UX Designer | RadiantX Technology | 1 Year 11 months

November 2024 - Ongoing

- Designed and delivered the E-Mobility E-Tuk app from the ground up, crafting booking flows, onboarding, and ticketing features that made urban rides seamless and user-friendly.
- Solely led the design of a tablet-based delivery portal, creating an end-to-end experience where customers could access orders, e-sign, and complete deliveries with ease.

TEACHING AND MENTORSHIP

Mentor & Instructor – Naan Muthalvan Thittam (Govt. of Tamil Nadu & GUVI)

- Conducting a 12-week program for college students on UI/UX design, covering fundamentals, Figma, and user research. Guiding students through hands-on projects to build practical, industry-relevant design skills.
